LEADERSHIP GIVING

Tocqueville Society

The United Way Tocqueville Society was founded more than 30 years ago in order to deepen the understanding, commitment, and support of United Way's most generous and community-minded investors. Membership in the Society is granted to individuals who contribute at least $10,000 annually to the United Way. National Society Membership is granted to individuals who contribute $100,000 or more per year to United Way.

Potomac Society

Donors who contribute $750 – $9,999 annually become members of United Way's Potomac Society. This vital group believes our community is worth a significant personal investment. Their generosity reflects a strong commitment to advancing the common good and providing community solutions in the core areas of education, income and health.

Emerging Leaders United

Emerging Leaders United are the next generation of business and community leaders who believe in giving back to our community. Young professionals (under 45) who make a minimum $250 annual gift to United Way of the Eastern Panhandle are eligible to join. This group comes together throughout the year for exclusive networking, volunteering and professional development opportunities.

Legacy Society (LS)

The Legacy Society was established to provide an increasing level of sustained endowment funds to support the ever-changing and growing needs of our partner agencies and community solution initiatives. Membership is recorded and acknowledged once a lifetime gift or legacy gift is made to the United Way fund housed at the Eastern WV Community Foundation. Members receive invitation to all United Way of the Eastern Panhandle events.
